Transit Center Meeting Room Policy

In keeping with METRO's mission and core values, METRO provides meeting rooms located within the Transit Center for use by non-profit community organizations at no charge and by individuals and for-profit groups for a fee. METRO does not discriminate in making its meeting rooms available for use on the basis of race, color, national origin, religion, gender, military status, age, sexual orientation, or physical limitation. Use of the METRO Transit Center meeting rooms or facilities by any group in no way constitutes endorsement and/or sponsorship by the METRO staff or board of trustees of the viewpoints, policies or beliefs of the group by METRO.

The use of a meeting room or facilities by a non-METRO group shall not be publicized in such a way as to imply METRO sponsorship of the group’s activities unless the activity is being co-sponsored by METRO. Rooms may not be booked by for-profit groups to hold open public workshops or seminars with a business presenter, even if the program is educational in nature.

Eligibility
Local non-profit groups, units of government and appointed or elected government officials may use meeting rooms or facilities in the Transit Center without charge during hours the Transit Center is open if room is available. Any METRO designated use will preempt any outside use.

The meeting room will not be available for rental outside the daily operating hours of the Transit Center for free. Any rental outside of normal operations will be charged the for-profit rates.

In cases where a non-profit designation is not readily apparent, proof of tax-exempt status may be required to establish eligibility for fee waiver. In that case, the group must qualify as a tax-exempt organization and must submit a copy of a current letter of exemption to METRO.

For-profit businesses and individuals may use Transit Center meeting rooms for a fee. (Please refer to the Fees for Transit Center Meeting Room Use section of this policy.)

All meetings and events held in the Transit Center must be conducted in an orderly manner and in full compliance with applicable laws, regulations, and METRO rules. Failure to comply may result in the meeting or event participants being asked to leave the Transit Center immediately and in the group being prohibited from using Transit Center facilities in the future. Transit Center staff and security personnel reserve the right to remove any person from Transit Center property for failing to follow patron behavior guidelines or other Transit Center policies and procedures.

Meeting room or facilities use may be denied to anyone giving false information or failing to comply with this policy. Repeated cancellations may result in future requests being denied.

This includes but is not limited to walls, floors, grounds, equipment, and furniture. If the organization engages a speaker, the organization is responsible for all arrangements regarding the speaker.

METRO will consider requests to allow alcohol only at Transit Center meetings and events that occur when the Transit Center is closed to the general public or deemed to be appropriate by METRO. Only beer and wine alcoholic drinks will be permitted. “Hard Liquor” or mixed drinks can not be served. Cash bars, the sale of drink tickets, and self-service bars are strictly prohibited. METRO does not permit "BYOB" (bring your own beverage) functions. An organization that wants to provide alcoholic beverages at an event must select from a list of bartender service providers approved by the METRO. According to the Ohio Department of Commerce, Division of Liquor Control (DLC), "no liquor permit is required if an organization intends to provide beer, wine, or spirituous liquor at a private function where access is restricted to invited guests only, such as a reception, for which no admission fee is charged or any alcoholic beverages sold."

Non-profit organizations requesting to serve alcoholic beverages at an event other than the above, such as a fund-raising event, must apply for a Temporary Permit from the DLC at least 45 days prior to the date of the event. The original Temporary Permit must be supplied to the METRO at least 14 days in advance of the event. The DLC only provides temporary permits to non-profit organizations and
verification of that status is required as part of the application process. The DLC provides several types of temporary permits. Organizations requesting to hold such an event are responsible for obtaining and paying for the proper permit from the DLC prior to the event. More information and application forms can be found at the DLC's website at http://www.liquorcontrol.ohio.gov.

Any organization approved by METRO to serve alcohol at an event is required to have an Akron police officer present during the hours alcohol is being served. METRO will make arrangements for this security, and the additional cost must be paid by the organization.
