RFP # 2020-01

February 5, 2020

TO: Potential bidders
FROM: Dana L. Gibitz-Manager of Procurement

QUESTION 1: For Item Digital Video Recorder, xxvi. Page 38 - Controlled access to client software, would a flash drive or a secure download of the requested videos be acceptable? A DVD or CD will not run the requested videos.

ANSWER 1: Yes, METRO would accept segments of video/software on USB flash drive or through a secure download, however as it states in the RFP *“The sample video shall preferably be in a format that does not require any special software installation. If software installation is required, the proposal shall include such installation instructions.”*
