

# METRO RTA

## SUMMIT COUNTY FAIRGROUNDS TRANSPORTATION

METRO is providing free rides on all fixed-route and demand response services to COVID-19 vaccine appointments at any location to individuals with proof of a day-of appointment.

### TRANSPORTATION TO/FROM MASS VACCINATION SITE

Summit County Public Health (SCPH), METRO RTA, and Summit County Executive Ilene Shapiro have collaborated to ensure transportation is not a barrier to accessing COVID-19 vaccination appointments at the Summit County Fairgrounds. For appointments at the fairgrounds, a METRO shuttle will depart from the Independence Transit Center, or ITC (1280 Independence Ave., Akron), to the fairgrounds. The shuttle will depart based on passenger demand and will not follow a predetermined schedule. Following the appointment, the shuttle will return to the ITC. Appointments can be scheduled at [www.scph.org/covid](http://www.scph.org/covid), or book by phone at 1-833-4-ASK-ODH (1-833-427-5634).

### ONBOARD SAFETY

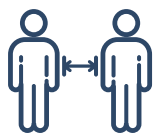

SHUTTLE BUSES  
WILL BE SANITIZED  
BETWEEN TRIPS

BUSES ARE  
EQUIPPED WITH  
HAND SANITIZER

PHYSICAL  
CONTACT WITH  
OPERATORS

CAPACITY IS  
LIMITED TO  
ENFORCE SOCIAL  
DISTANCING

METRO TEAM  
MEMBERS SELF-  
MONITOR FOR  
SYMPTOMS

FACEMASKS ARE  
REQUIRED ON ALL  
METRO BUSES &  
PROPERTIES

### VACCINATION SHUTTLE

#### TRIPS

Dates and times of METRO's vaccination shuttle are subject to change based on SCPH vaccination availability. Check [akronmetro.org](http://akronmetro.org) for trip details.

#### SHUTTLE DETAILS

You must have proof of your day-of appointment to board the shuttle. Upon arrival at the fairgrounds, passengers will remain onboard. Health workers will board the bus and issue vaccinations onboard, followed by the recommended 15-30 minute wait time. After the process is complete, the Vaccination Shuttle will return to the ITC.

#### THANK YOU, ODOT

Transportation to and from the Fairgrounds is made possible through a partnership with the Ohio Department of Transportation's (ODOT) Rides for Community Immunity program.
